To Whom It May Concern:

My name is Maryanne Sea. I am a social worker (Master's in Social Work) working in private practice. I also have developed and coordinate a program of self-care for caregivers (nurses, physicians and other caregivers) at a Perth private hospital.

I am registered with Medicare to provide counselling within the Allied Health and Dental Services initiative.

Under this initiative, individuals, who are referred by a General Practitioner (GP) for counselling may receive Medicare rebates for their sessions. The GP needs to prepare a Management Plan (MBS 2710). Once this plan is in place, individuals take their receipt from the counselling session with me and claim a rebate from Medicare.

The rebate for a one hour session with me is \$67.50. My Medicare provider number is: 2788381T.

It is important, when you make an appointment to see your GP that you ask for a double session, allowing your GP to obtain all the pertinent information.
